

**Magic Multi-Use Descaler is a powder concentrate designed to descale and sanitise appliances by removing limescale and mould. It improves the performance of appliances and reduces breakdowns. Ideal for Coffee Machines, Jugs, Steam Irons, Dishwashers, and more.**

Limescale, mineral deposits and mould build up on appliances that use water. This build-up is worse if you have hard water as it contains a high mineral content. Some traditional methods can take much longer to achieve results and are unsuitable for some appliances. It is not advisable to use harsh acids, like sulphuric acid, which is hazardous, poisonous and can corrode some surfaces.

### FEATURES:

- ① Removes Limescale & Hard Water Deposits
- ② Cleans & Sanitises
- ③ Removes Mould
- ④ Improves Machine Efficiency
- ⑤ Prolongs the Life of Appliances

### BENEFITS & POINT OF DIFFERENCE

- Septic & Grey Water Safe
- Biodegradable & Non-Toxic
- Each Sachet is Pre-Measured
- Each Tub Contains a 40g Measured Scoop
- Suitable for Most Appliances

### NOTE:

Only for use on scaled appliances. Not suitable for use with aluminium or appliances sensitive to acid (such as enamel, marble, silver or zinc plated).

### IDEAL FOR:

- Kettles
- Steam Ovens
- Baby Bottle
- Urns
- Water Coolers
- Sterilisers and more!
- Dishwashers
- Coffee Machines
- Steam Irons
- Shower Heads
