

SOOT-LOOSE CHIMNEY & FLUE CLEANER

Soot-Loose Chimney & Flue Cleaner is a powerful, effective solution for maintaining clean and safe chimneys and flues. This easy-to-use cleaner removes dangerous soot and creosote build-up, reducing fire hazards. By breaking down soot and debris, Soot-Loose improves airflow and ensures optimal wood heater, fireplace, or flue performance.

Regular use of Soot-Loose Chimney & Flue Cleaner helps prevent blockages and potential fire risks by loosening stubborn deposits. Its non-corrosive, heat-activated formula suits various wood-burning systems and is easy to apply without professional help. Essential for maintaining the efficiency and longevity of your chimney or flue while also promoting cleaner, safer indoor air.

FEATURES:

- ① Removes Soot & Creosote Build-Up
- ② Heat-Activated Formula
- ③ Non-Corrosive
- ④ Suitable for Various Wood-Burning Systems

BENEFITS & POINT OF DIFFERENCE

- ✓ Reduces the risk of serious chimney fires
- ✓ Organic based solvent
- ✓ Cleaner air inside the house
- ✓ Australian Made & Owned

Note: If you haven't cleaned your chimney in a while and you suspect you may have a large build-up, please use 2 or 3 sachets for the first clean, then 1 sachet per month throughout the season to keep it clean.
