# SPA BATH CLEANER

AUSTRALIAN MADE AND OWNED

**Magic Spa Bath Cleaner removes bacteria, eliminates oily grime and body fats from spa bath surfaces, pipes and pump systems. Providing you with peace of mind that you're not sharing germs with others.**

Spa baths that recirculate water often experience build-up within the pipes and pump. Without a filtration system, spa baths allow bacteria, body oils, dirt, and grime to flow through the pump, creating an ideal environment for bacteria to thrive. Spa Bath Cleaner is specially formulated to tackle these hidden impurities, delivering a deep, thorough clean that keeps your spa bath hygienic and ready for relaxation. With a refreshing ocean rain scent, it revitalises your spa bath while supporting peak performance.
